25.07.2024

Matter taken up,

Ld. Counsel Shri K.B. Singh present for workman.
Shri Neeraj Kewat Ld. Counsel present for management.

Today is fixed for argument.

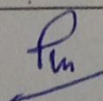

Management side has filed an Application for recall of order dt. 03.06.2024 closing management evidence.

Heard both the sides and perused record. Application opposed by workman side.

Ground taken is that time was consumed in preparing and forwarding the Affidavits to management and then sending of Affidavits and documents by management to the Ld. Counsel.

The evidence of the workman was closed on 15.03.2024 management sought two adjournments. Only 03 adjournments are admissible to a party under rules in the whole proceeding this limit has been already exhausted much before. Hence, though the ground taken may not be sufficient but in the interest of Justice as well keeping in view the fact that inconvenience and expenses of workman may be compensated by cost and litigation should be decided on merits preferably, the Application may be allowed by on cost.

Hence, application for recall is allowed on the condition of payment of cost Rs. 5000/- (Rupees Five Thousand Only/-) by management to the workman till or before next date and filing proof of payment order closing evidence is recall subject to compliance of condition.
