This case coming up for admission on 17.08.2022 and the same day this Tribunal-cum-Labour Court passed the following:

ORDER

Heard the Counsels on both sides.

The impugned order is issued under Sec 7A of the EPF & MP Act. This is the 2nd round of litigation. The matter was earlier

remanded to the respondent with a specific direction to examine whether the House Rent Allowance is included in the original assessment of dues. It is seen from the impugned order that the appellant failed to produce any records before the respondent. According to the Counsel, the documents were seized by the Enforcement Officer. However the acknowledgement produced by the appellant doesn't show that any relevant records were seized by the Enforcement Officer.

However the appeal is admitted subject to remittance of 40% of the assessed dues with the respondent within a period of one month from today. Proof of remittance shall be produced on or before the next date of posting. Subject to the above, the impugned order is stayed until further order.

Issue notice to the parties. Adjourned to 26.09.2022 for appearance of respondent and file counter.
