ORDER

1. An application was moved by the claimant, under Section 33-C(2) of the Industrial Disputes Act, 1947 (hereinafter “the Act”) with the averments that he joined service with the management as Beldar. Since then, the claimant is discharging service to the entire satisfaction of his superiors. His services were regularized on the post of Beldar with retrospective effect i.e., 01.04.1995. But the claimant has not been paid any arrears of matric/non-matric, difference of salary due to 7th CPC amount of Rs. 1,41,275/- (Rupees One Lakh Forty One Thousand Two Hundred And Seventy Five Only). The claimant further claims interest on the due amount @ 18% per annum and litigation cost. The claim of the claimant has remained unrebutted and the management was proceeded as ex-parte on 18.12.2023.
2. At the stage of evidence, the claimant filed his affidavit and examined himself as WW1. In his examination in chief, the workman also relied upon documents Ex WW1/1 to Ex WW1/2. No one turned up from the management side for cross

examination of the workman witness. The cross examination of the workman witness was treated as nil. Workman evidence was thereafter closed. Management neither appeared nor led evidence. The management evidence was closed.

3. I have gone through the pleadings and documents placed on record by the parties and have heard the arguments from the AR of the Claimant. During the arguments, the A/R for the claimant had submitted that the claimant has received the arrears in regards to the 7th CPC and therefore, only an amount of Rs. 1,00,148/- survives as due to be paid by the management. The workman has proved that the workman was regularized w.e.f. 01.04.1995. The management failed to rebut the claim of the workman. In view of this the claim of the claimant and submissions made, arrears of matric/non-matric to the tune of total accrued amount of Rs. 1,00,148/- deserves to be allowed.
4. Though the claimant has prayed for interest @18% per annum, the same is not allowed in view of the fact that in a petition u/s 33 (C)(2) of the ID Act, the Tribunal is only empowered to compute the amount but cannot confer a new right on the workman like interest. Similar view has been taken in the case of Union of India vs. Presiding Officer CGIT in 1984 AISLJ 567 and by the Hon'ble High Court of Delhi in the case of King Airways vs. Captain Manjit Singh decided in WPC No. 2666 of 2010.
5. Management is directed to pay the amount of Rs. 1,00,148/- within a period of 30 days. If the computed amount of Rs. 1,00,148/- is not made within a period of 30 days hereof, the management shall be liable to pay 6% interest on the full amount from the date of filing this application i.e., 15.01.2020 till realization. An order is, accordingly, passed. File, after completion, be consigned to record room.
