

LCA No. 02/2019
18th Feb., 2022

Present: Shri M.C Pant, Ld.A/R for the claimant.
Shri Om Prakash, Ld.A/R for the management.

Matter came up today for hearing on 33(C)2 application filed by the workman. During the course of arguments the Ld. A/R for the applicant informed that the criminal proceeding was initiated against management for non-compliance of the direction given in the award. That was challenged before the Hon'ble High Court and now the same has been disposed off. However, the management is disputing the identity of the workmen who are to get the benefits of the Award. The Ld. A/R for the management agreed that the management is trying to find out the identity of the workman eligible for the benefit. This tribunal, in view of the situation thought it proper to take the assistance of the local labour commissioner to conduct an enquiry with regard to the identity of the beneficiaries of the Award. To this the Ld. A/R for the management wanted time to get instructions from the management. Call this matter on 22/02/2022 when matter shall be taken up in virtual mode and the Ld. A/R for both the parties shall address the Tribunal on the inquiry proposed.
