

21st March, 2022.

Present: Shri Ajay Kumar, Ld. A/R for the claimant.
Shri Prashant Yadav, proxy A/R for the management.

The matter stands posted today for reporting compliance by the management with regard to the direction even in the order dated 16.01.2020. Perusal of record shows that the claimant was held entitled to Rs. 18, 90,600 /- payable by the management EDMC. On 16.01.2020 it was observed that the management had made a par payment an amount of 14,49800 was due to be paid to the claimant. ON that day 3 months time was allowed to the management . But the said direction is yet to be complied and perhaps on account of the outbreak of covid 19 pandemic.

Today, the claimant is present but the counsel of the management handling the proceeding is absent so also the official of EDMC. The proxy counsel for the management submitted that at least one month time may be allowed to get instruction from EDMC . This is a case of callousness shown by the management to the orders passed by the tribunal. Hence directed that the on next date i.e on 27th April, 2022 the Deputy Commissioner of EDMC shall appear before this tribunal in person and apprise on the steps taken in respect of the direction given in the order dated 16.01.2020 failing which suitable and appropriate legal action will be taken up.
