

Misc No. 02/2021

8/2.2022

Present:-

Shri Rajesh Ranjan, Ld. A/R for the claimant.  
Shri Ajay Gupta, Ld. A/R for the management.

This order deal with the application filed by the claimants of ID18/2013, praying recommendation for initiation of a contempt proceeding against the management for not giving effect to the award passed by this Tribunal in ID No 18/2013. Alternatively it has been prayed that management/opposite party may be directed to reinstate the claimants and to pay their arrear wages.

Notice on the petition was served on the Respondent/opposite party, who appeared and participated in the hearing held on 11.1.2022.

On hearing the counsels and on perusal of the record of ID 18/2013 it is seen that the award passed in the said ID has become executable by publication of the same in the Gazette of India. No doubt the claimants have approached all the appropriate forums for effective execution of the Award. But the award passed in ID18/2013 has been setaside by order dated 8/2/2022. Hence this application praying initiation of contempt proceeding has become infructuous. Hence, rejected.
