Presents : Shri N. Bhushan, A/R for the claimant.
Shri Gaurav Pandey, A/R for the management.

The matter was taken on VC today at 11:30 AM. This matter was heard in part yesterday through VC and almost completed. On the request of learned A/R for both the parties, the matter was adjourned to this date. When the matter came up the learned A/R for the claimant participated, but on behalf of the learned A/R for the respondent Mr. Avinash Mishra and Mr. Gaurav Pandey appeared and submitted that the matter may be adjourned to some other date as the learned A/R Mr. Mishra is busy for the CLAT examination of his son. The ground taken for adjournment sounds not convincing as Mr. Mishra had yesterday volunteered for today's date. Since the tribunal is functioning on virtual mode the action seeking adjournment has spoiled the time of the tribunal which could have been utilized for hearing of another matter. In the circumstances, it is not felt proper to adjourn the matter to another date. Hence argument in the matter is concluded and closed. List this matter on 28.07.2021 for filing of notes of argument and citation, if any by both the parties. No further time shall be allowed before passing of the award. Upload this order for information of all concerned.
