Date of order of proceeding	Order or proceeding with signature of Presiding Officer	Signature of parties or pleaders where necessary
13-9-2022	<p>Taken up.</p> <p>Reply on the recall application with affidavit filed on behalf of the workman through its learned counsel Shri Uttam Maheshwari taken on record.</p> <p>Learned Counsel for management not present to press his application dated 5-9-2022 to recall the order dated 18-10-2021 to proceed ex-parte against the management though this application can be dismissed only on the ground that no one is here to press it but for the sake of justice , I have perused the record in the light of this application and have also heard learned counsel for the workman on his reply and affidavit to this application.</p> <p>The order to proceed ex-parte was passed against the Management on 18-10-2021. Since then as mentioned as many as five dates have been fixed for hearing in this case. Neither the learned counsel nor their representative from the management was present on these dates. The grounds taken by learned counsel for the Management in the recall application is that the learned counsel could not trace and monitor the case because of some personal issue (which he has nowhere disclosed). It has been stated in reply that it is nothing but a lingering tact on the part of the Management just</p>	

to prolong the litigation and that undisclosed personal issues that to continuously from 2021 till date is very vague ground for recall of the said order. On perusal of record in the light of recall application and reply, the grounds taken for absence is held grossly insufficient. The recall application deserves to be rejected and is rejected accordingly. The case was listed for Award before filing of this application. Now it be listed for Award on 20-10-22.
